**8 PASSIVE HOUSE PROJECTS, 6 DIFFERENT TEAMS ON
THE DESIGN SIDE, AND 5 DIFFERENT CONTRACTORS.**

HOW TO MAKE IT SUCCESSFUL

A PASSIVE HOUSE CERTIFIED OFFICE

THE ENTIRE ARCHITECTURE STAFF AT BAXT INGUI TOOK THE CERTIFIED PASSIVE HOUSE DESIGNER COURSE THROUGH PASSIVE HOUSE ACADEMY.

A PASSIVE HOUSE CERTIFIED TRADESPERSON/ GENERAL CONTRACTOR

THE CONTRACTORS WE HAVE WORKED WITH (SOME FOR DECADES) HAVE ENTERED THE PASSIVE HOUSE WORLD WITH US.

WE ASKED ALL TO BECOME CERTIFIED AT AEAS FACILITY IN THE BRONX & AEA HAS ALSO BEEN A KEY TEAM MEMBER TOWARDS SUCCESS.

PASSIVE HOUSE **KICK-OFF CRASH COURSE** FOR ALL SUBS

AFTER DEMOLITION, WE SET UP A CRASH COURSE TEACHING THE BASICS OF PASSIVE HOUSE AND WE ASKED THAT ALL SUBS AND TRADE PERSONS TO ATTEND. THIS GOT EVERYONE ON BOARD FROM THE BEGINING EVEN IF THEY DID NOT TAKE THE CPHT TRAINING.
